### **DETAILED ACTION**

1. This is in responsive to terminal disclaimer filed on 13 April 2005.

#### ***Terminal Disclaimer***

The terminal disclaimer filed on 13 April 2005 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US Patent 6,728,804 has been reviewed and is accepted. The terminal disclaimer has been recorded.

2. Claims 1 – 20 are allowed.

#### ***Reasons For Allowance***

1. The following is an examiner's statement of reasons for allowance: Applicant's claimed invention distinguishes over the prior art for following reasons.

The independent claims 1,10, and 15 are allowable over the art of record and none of the references either alone or in combination, discloses or renders obvious a portable electronic device and method for reprogramming the device through a pager network as described in invention by providing an identification for the electronic device to a controller through the pager network and receive new program code from pager network to reprogram the reprogrammable memory with new program for enhancing communications with the first electronic device through the external communication port.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
